2022 – '23 Season Registration Types and Fees

August 31, 2022

Beginning this fall, USA Rugby & RugbyNY are using the Rugby Xplorer (RX) system for registration.

Each registration in RX consists of a registration type (Rookie Rugby, High School, etc.), and within the type, a role (player, coach, admin). Roles are defined for specific age ranges. When a participant registers, they will only be able to select registration types and roles that are defined for their age.

The 2022-'23 RugbyNY registration types with fees are:

Registration Type	Role	Age Range	USARFU Fee	USAYHS Fee	RugbyNY Fee	Total
Rookie Rugby	Player	4 – 7	\$5	\$5	\$10	\$20

* The **High School Fall** registration type is clubs who are playing or practicing in the fall season only or who may want to charge a different or reduced fee than they would charge for the full spring 15's season.

The **Training Only** roles are for clubs or players who are only practicing. Players registered as Training Only will be registered with USA Rugby and RugbyNY, but will not be eligible to play in any matches or tournaments. Clubs may also use this role for new players who may want to "try before they buy" while maintaining USA Rugby insurance coverage.

Registration types and roles can be upgraded at any time with only the difference between registrations being charged at the time of upgrading.
